SOUTHERN PACIFIC

SOUTHERN PACIFIC TO MAKE IMPROVEMENTS

Council Suggests Alterations for Protection of Travelers In City Limits.

WATERWAY TO BE DEEPENED

Modern Fire Alarm System Among Improvements Soon to be Provided For.

All of the Trustees answered present to the call of the roll last Monday evening, when the Council was called to order by Chairman Merrill. As has been the case for sometime past, a very considerable portion of the meeting was devoted to a consideration of the perplexing question of street improvement. In these matters the trouble seems to be in determining just how to get the best streets at the minimum of cost to the property owner, and at the same time keep within the provisions of the law, seems to be the problem. With the exception of these matters, the subjects of most public interest were the proposition for the installation of a fire alarm system and the improvement of Redwood Creek.

R. C. Holmquist presented a petition asking permission to make a special connection with the city water mains for use for fire protection at his building on Main street. It was stated that the arrangements were such as to permit of this connection being made independent of the usual water supply of the building, and with this understanding the permit was granted.

Martin Koch presented a small map outlining a plan of route which he suggested for the electric railway, when that road decided to pass through the city. In this map the line is shown as running on B street, from the Southern Pacific Railway tracks to First street, thence south on School House Lane and thence on Phelps street. It is also proposed to straighten the channel of the creek and reserve a space for factory sites on its banks. The plan was accepted and filed, on the motion of Trustee Hynding.

Trustee Rice stated to the Board that he had been making some investigation of plans and cost for the installation of a fire alarm system for the city, an improvement which he believed must demand the attention of the Trustees in the immediate future. In this investigation he had consulted with the General Fire Alarm Telegraph Co., at San Francisco, and presented a letter from A. J. Coffey, general manager of that concern, detailing a plan, and making estimate of cost. Mr. Rice stated that it was probable that cheaper systems might be secured, but in a matter of this importance he believed that the best possible should be secured. The plan proposed by the company is for a system of non-interfering type, with 15 boxes, which are regarded as sufficient for present needs. With this is to be provided one alarm whistle and one alarm gong, these to be installed at the tanks at the water works or any other available point. Added to the equipment will be one automatic testing clock, to be installed in some central station for the purpose of testing the wires of the system. This clock can be so arranged as to strike automatically three times each day for the purposes of tests, and also might be arranged to ring a cerfew alarm at 9 o'clock. It is claimed that the system is so constructed as to allow of extensions at any future time, without material changes. To properly construct and equip the system suggested will involve an estimated outlay of about $4500, which can either be paid for in cash, or credit for a number of years, on the installment plan, will be given. While no definite action was taken, it was the universally expressed opinion of the Trustees that there was at this time urgent need of the suggested improvement, and that the matter could be delayed but a short time. It was also suggested that the installation of this system must necessarily result in a material reduction of insurance rates.

Chairman Merrill presented a communication which he had received from Colonel John Biddle, Engineer Corps, U. S. A., stating that under an Act of Congress of March 3d, 1909, an appropriation had been made for a preliminary survey of Redwood Creek, with a view to the improvement of that water way, and requesting information as to the desires of the people of this city as to the needed improvements and the amount of tonage of shipments, both present and prospective. Mr. Merrill stated that this was a matter of general public interest, and that he believed it should be discussed fully at a public meeting which should be held as soon as possible. In seconding this suggestion, Trustee Hynding expressed the opinion that the proposed improvement of the shipping facilities of the city by the water route would accomplish more for the future prosperity of this section than any enterprise suggested. While it was desired to give the proposed meeting all the publicity possible, it was not deemed wise to delay the meeting longer than absolutely necessary, and it was finally decided to call a public meeting of the Board of Trade and citizens generally for Friday evening at the Town Hall. Trustee Rice volunteered to devote the time necessary to the procuring of needed statistics and information.

Chairman Merrill stated to the Board that on Saturday the officials of the Southern Pacific and Peninsular Railways had visited this city, and with himself and Trustee Rice, had made a trip of inspection over the lines in this city. As a result of the consultation, Mr. Merrill had prepared suggestions as to repairs and improvements required as follows:

Crossing of railroad and county road at northerly limit of town—Proposed to improve by moving county road westward, using land acquired by Peninsula Electric Railway from Wellesley Park Company. Gates to be installed at Finger's avenue, with the crossing about at right angles with tracks, doing away with the long diagonal crossing near that point. Resident engineer to submit map showing greatest possible width of roadway in front of Wellesley Park, and extent of county road to be abandoned.

Bridge across Cordilleras creek—Suggested by Mr. White, representing White Oaks Tract adjacent to town limits. This bridge to be on western portion of Peninsula right of way (Benj. Smith property). Mr. White suggests co-operation of county, city, electric road and owners of White Oaks tract in construction. Without a bridge west of railroad, people residing north of town and west of railroad will be compelled to cross railroad twice each way.

Standard Oil tanks and sheds—Shall they be allotted the additional ground acquired by closing county road, or shall they be moved to an entirely different location?

Fourteenth street (now Rogers street)—Gates urgently needed at crossing.

Eleventh street (now Hopkins avenue)—Closed by Southern Pacific fences on county road and right of way. Should be opened and macadamized, and bell placed at crossing.

Main street crossing—Gates urgently desired.

Mound street crossing—Two large gates to be replaced by three smaller ones, placed as per sketch enclosed, to protect both Elm and Mound streets.

Beach street crossing—Bell desired.

Cedar street crossing—Gates desired.

Chestnut street crossing—Bell desired; also 24-inch culvert.

Consideration of crossings south of Chestnut street to be deferred until Southern Pacific Company perfects plans for switches, sidings, etc., for approach from Dumbarton.

General—Crossings are now provided with only narrow strips of gravel sufficient for single driveway. All crossings should be gravelled full width, including sidewalks.

Foot-bridges on right of way are in dangerous condition. Right of way should be graded and graveled full with from depot to Pine street, as specified in deeds.

Attention was called to the dangerous condition of the flush tank at the end of the Deep Water road, which has been without railing or other guards. The street superintendent was directed to cover the top of the tank with planks.

A draft of a proposed garbage ordinance was presented by the City Attorney. The provisions are along the lines suggested by the discussions at previous meetings.

City Attorney Mansfield reported that he had not requested the assistance of the Supervisors in the enforcement of the law regulating the speed of automobiles, as the District Attorney had suggested that the matter be negulated by city ordinance.

Trustee Brown suggested that some drastic measures be taken to prevent the dumping of refuse in the waterways, especially calling attention to the condition of the ditch along the County Road. As it was suggested that the provisions of the garbage ordinance would supply a remedy no action was taken.

It was stated that the park committee of the N. D. G. W. desired that the city bear the expense of placing loam in the park. Trustee Hynding was inclin- to oppose the work, urging that the utmost economy in the expenditure of city funds was necessary at this time.

It was stated that there would probably be some difficulty in finding purchasers of bonds in future street improvements. H. C. Tuchsen, on behalf of the owners of property on Redwood avenue, offered to assist in finding a purchaser for the bonds provided that the proposed work could be made as reasonable as possible he thought a buyer could be found. He had been informed that it was the custom where cuts were required to remove the material and to substitute other material in making fills. He thought that the work might be made economical by filling the low places with the earth taken from the high spots. Another needless expense at this time was requiring that the sewer have latterals leading to the curb at every 25 feet. With this cut out and the first mentioned amendment to the specifications. Mr. Tuchsen thought that there would be no difficulty in getting the necessary money This lead to considerable discussion as to the advisability of using surplus material for fills in the subgrade. As it appeared that the fills reguired in this case were but slight and the present surface material largely rock, it was decided to adopt its use in the fills. The only objection to the omission of the latteral sewers was the danger that the street would be frequently torn up for the purpose of making connections.

Superintendent J. C. Dickey thought that the latter objection could be overcome by adopting a schedule of charges for sewer connections when such work is required, it to be left to the future needs of the avenue. This was acceptable to the board and to Mr. Tuchsen, and the engineer was directed to proceed with the specifications with the amendments mentioned.

It was the sense of the board that the streets be swept three times weekly until thoroughly cleaned.

The clerk was directed to notify property owners on Cassia street to trim their trees to prevent obstruction of the street lights.

The street superintendent stated that he would have Roosevelt avenue ready for acceptance at the next meeting and he desired that it be inspected in the meantime by the board.

Adjourned to April 12th.

D. E. O'KEEFE, Editor and Proprietor

Death of Samuel Hall.

Suamel Hall, an old pioneer of Redwood City, passed away last Saturday at the age of 76 years. He was a native of Missouri and came tothis county in 1854 and for many years engaged in the house moving business. He was well-known in the county.

Mr. Hall was married in this city in 1866 to Helen Desmont, who with four grown -children, two sons and two daughters survive him. The funeral Tuesday afternoon was largely attended. The remains of this good man were laid to rest in Union Cemetery.

Divorce Granted.

Judge Buck on Thursday granted an interlocutory decree of divorce to Mrs. Ackerman from her husband, A. L. Ackerman, on the grounds of cruelty.v They are prominent hotel people of La Honda and possess considerable property. It is supposed the roerty interests were settled outside of court. They have a young daughter about sixteen years old.

Wants Estate Settled.

Margaret C. Bevis has applied in tre Superior Court for letters testamentary upon the estate of MaryHawley, who died at Easton, San Mateo county, April1,1909. The entire estate consists of two mortgages and certain promissory notes of a total value of $5300. The petitioner is a daughter of the deceased and the only heir.

Pescadero Notes.

Littlefield tells a good story on R. Miller, Supervisor off Santa Cruz county, Joe Bernhiem, of Hotel St. George and C. Reed, fish warden. They had been to the Wadde'l creek and caught about eight big Steelheads and some stripped bass. Littlefield said he would like to eat one and J.Bernheim told him to go catch some that they could not let any go as Duncan McPherson, H. R. Orsborn, H. F. Kron, M. Willey, Judge Skirm, Judge Smith and J. A. Harvey had to have some and they could not let let any go as they wanted to make a good showing for April 1st so Littlefield with tears in his eyes and mouth watering started down the mountain, and at the Bog Hole in the road found a basket full of 12 inch steelhead trout, that fell out as the wagon bounced over it. Now Mr. Miller says, Vid, we have wished that bog hole well for eigth years. Now if you do not fill the place up with rock I will have your scalp. Mr. Littlefield rteurns thanks for their kindness and liberality.

Partridge Subdivision of lots 157, 158, 161 and 162 in the First township.

R. H. McGovern, of Belmont appeared before the board and asked that he be granted permission to make excavations on Ralston avenue for the purpose of making sewer connections. No action was taken. Mr McGovern being informed that he must present a written application and file a bond as required by law.

Sarah A Salter, formerly a resident of San Mateo, petitioned the board to refund $3.50. paid as personal taxes, which she claimed had been erroneously assessed. The petition was referred to the County Assessor for investigation.

Superintendent J. F. Ford of the county farm, recommended that the inmates be provided with new outer clothing, that at present worn by them being unfit for use.

The recommendation was referred to the committee on county farm.

The city of South San Francisco, through its attorney, H. W. Brown, presented a written demand for $4,227.60, claimed to be due that city as its proportion of the road fund at the time of its incorporation, September 19, 1908. No action was taken on the demand.

A communication was presented from the Ocean Shore Development Co asking that the road in the fourth township, bounded by the lands of Smith and Kyne, and the Marine View Terrace properties be opened from the present county road to the beach, asserting that the same had already been dedicated as a public road. Sidney Smith, representing his father, one of the owners of the land, appeared in opposition to the petition, contending that the road wanted had never been dedicated as a public highway and had always been closed to public travel. No action was taken.

The O'Brien Construction Company, complained in a communication, that they were being delayed in their work on the court house, due to the slow progress of other contractors. Mr. Phillips, on behalf of the contractors for the stone work explained that they had been delayed by inclement weather. At the suggestion of Glenn Allen, the architect, the Board decided to make a general survey of the building and advise with the architect and contractors Wednesday morning, and following this to hold a special meeting for the purpose of dealing with matters concerning the work on the building.

Clerk Nash again called the attention of the Board to the fact that he was without the promised descriptive matter of the county. Mr. Nash stated that he was in receipt of a large number of communications from Eastern residents desiring to be supplied with information concerning the county.

Chairman McEvoy, to whom the application of Gabriel Salazar for aid was referred, reported that Salzar was an old country resident, aged 88 years, and worthy of aid. On motion of Blackburn the applicant was granted $8 per month from the date of his petition.

The following communication from the Indianapolis Furniture Co., is presented:

"Regarding order placed by Mr. A. Elkerenkotter for 12 iron folding beds, and upon which a delivery of 10 only was made, leaving a holdover of two beds to be delivered on arrival of more from East, we beg to advise that pursuant to a conversation with Mr. McEvoy, who advised that owing to complications, instead of sending the two beds, which are now here and ready for delivery, that a refund of $16 be made to cover this difference, which we are pleased to inclose with our check." With the communication was a check for $16, which was ordered paid to the County Treasurer.

Bids for the furnishing of about 5000 gallons of crude oil, for use on the roads of the third district were presented as follows:

Associated Oil Companies of San Francisco, crude oil, per barrel, 42 gallons, $1.05.

Standard Oil Company of San Francisco, crude oil, per barrel, $1.15; road oil, $1.05.

The contract was awarded to the Asociated Oil Company.

A protest from a number of citizens of Belmont was presented, objecting to the granting of a saloon license to Charles Hawk at that place. P. A. Roussell was the only representative of the objectors to appear before the board, and the only objection offered by him was that he did not want any more saloons located at Belmont. As no other objection was made to the applicant, the license was granted, on motion of Supervisor Coleman.

A petition was presented asking that a public road be laid out in the San Pedro Valley, from the Ocean Shore depot at San Pedro to the road to Halfmoon Bay. The petition was referred to Supervisor Casey.

A protest was received from residents of San Bruno against the deplorable condition of San Bruno and San Mateo avenues and also against thefurther maintainance of the Spring Valley flume above ground at that place. Referred to Casey.

Coleman gave notice of his intention to introduce at the next meeting a resolution adopting the following scale of wages for teamsters on county work: For two-horse teams $5 per day; four-horse teams, $7; six-horse teams, $9.

McEvoy presented plans and specifications for certain road work in his district which were adopted.

Blackburn presented plans and specifications for a concrete arch on the La Honda road near San Gregorio, the estimate cost of which is $3,560. The plans were adopted and the Clerk directed to issue a call for bids on the work.

The Board then adjourned until Wednesday morning when it reconvened for the purpose of considering matters connected with the work on the new courthouse. Sometime was spent in an inspection of the building, asa result off which a few changes were made in the plans. Watertables will be added to the parapets at the side of the steps, and some little ornamentation added to metal cornice. The architect was also directed to prepare an estimate of the cost of raising the dome.

The E. B. & A L Stone Co, insisted that the Board take some action on their bills for the furnishing of rock for roads in the first district. No action was taken.

On motion ofCasey, Dr. G. W, Beattie was appointed County Health Officer, displacing Dr. Plymire.

Christian Endeavor Meeting.

It is expected that there will be 500 delegates present at the semi-annual convention of the Santa Clara County Christian Endeavor Union to be held in this City on Saturday, April 24th. The Endeavorers here are planning a warm welcome or the visitors and have been busy for some time perfecting the arrangements.

Several of the acting state officers will be in attendance, and also some of those who have engaged in state work in years past. The committee in charge of the program has been particularly fortunate in procuring good speakers and has nearly completed its work. The complete program will be published in a few days. A fare of one and one-third fares has been granted by the Southern Pacific.

New Building Contracts.

The following builder's contracts were filed in the Recorder's office during the week:—

W. E. Tourtlotte agrees to erect for Geo W Breaw on or before June 1st, a frame dwelling in Easton Addition to Burlingame for $2230.

MISS LYNCH WILL GRADUATE

Well Known Resident Has Unfortunate Euestrian Experience---Easter Church Announcements.

The stork visited the home of Mr. and Mrs. George Casey last Monday leaving a twelve pound baby girl.

Miss Rose Lynch is home from the Ursuline College, Santa Rosa. She graduates next month from that institution with distngushed honors.

Edgar Bartley and Joe Cull caught the limit in trout at La Honda last Sunday.

Miss Mabel Seale and Gustave Laumeister were married last Saturday afternoon at the home of the bride at Palo Alto. After the wedding ceremony the bride and groom went south on their honeymoon. The wedding march was played by Emma Laumesiter, the young daughter of the groom. Mr. and Mrs. Laumesiter will reside in Palo Alto where the former has a paying contracting business.

Governor Gillett has signed Senate bill 1243, which provides for the admission of graduates of the Stanford Law School to the bar without the usual tedious examination. The bill was introduced by Senator Black and was vetoed by the Governor in its original form but was finally changed to satisfy the Governor and his friends, hence his signature.

Tomorrow there will be three masses celebrated in the church of the Nativity as follows, 6 8 and 10:30 o'clock. Special music will be rendered by an augmented choir that has been rehearsing for some weeks.

William Hammerson caught a steel head in the Lagoon at San Gregorio last Sunday that weighed 11 pounds. It was the finest brought to town in many years.

Henry Curtis, Dan O'Leary and James Harrison went to Woodside Saturday and each caught the limit in trout. They report fishing good in the Neuman creek.

Stanford Park and Menlo Addition, the property of Hoag and Lansdale is being improved Twenty-six hundred yards of crushed rock arrived during the week and men and teams are engaged in laying it on the streets in both tracts under the supervision of J J. Murray. All the streets will be macadamized with the best material. In the Menlo Addition concrete sidewalks will be put down. Both tracts have been sewered and the water mains have been put down. This property is certainly a choice resident section.

J. McKean, who has been at deaths door for the past two weeks, was taken to Ocean View Wednesday. He is suffering from pulmonary troubles and may not recover.

Mrs. H. O'Neill and Mrs. Andrew Custer, of San Francisco, were the guests of Mrs. Harry B. Morey Sr., during the week.

Miss Mary Daley of Burlingame was the guest of her brother Raymond Daley, during the week.

There will be special services at Trinity Episcopal church tomorrow at 10:30 o'clock. An augmented choir will render fine music and the members of the choir will appear int heir new vestments. There will also be services for the children in the afternoon at 3:30.

The rubicund visage of James Maloney was somewhat marred Tuesday in an accident that might have proven serious. He was riding horseback and in going past the French laundry struck a wire. that was stretched across the road and was thrown from the saddle to the ground. His face was badly scratched but otherwise he escaped serious injury.

Big Real Estate Deal.

One of the largest, if not the largest sale of real estate has just been completed. The well known Bostwick ranch consisting of 739 acres located immediately west of town and fronting on the Canyada road has been sold to C. J. Pickering of San Francisco through the office of H. C. Tuchsen in connection with Baldwin &Howell. The property was owned by an English syndicate with head quarters in Liverpool, England, and the owners are represented here by L. A. Naves of Fresno. The deal has been under way for more than a year and was brought to a successful conclusion on March 31st.

The sale shows the confidence that captial has in the peninsula and also shows that large sums of money are new available for speculative investmentsand this fact shows clearly that the "financial stringency" is a thing of the past. Redwood City and vicinity is looked upon as a fertile field for investments never having been exploited, at least not to the extent of our neighboring towns with street improvements such as are now about to be made, with coming of the Peninsula R. R., the Dumbarton cutt-offand deep water, who can save us from prosperity.

ANOTHER FACTORY FOR REDWOOD CITY

Site Selected for Extensive Salt Refinery and Chemical Works.

IMPROVEMEMENT OF CHANNEL

Colonel Biddle Inspects Redwood Creek and Admits Necessity For Dredging.

Last Wednesday this city was visited by a party of gentlemen from San Francisco who inspected the factory sites and expressed themselve as well pleased with what they had seen.

The purpose of the visit while two-fold, had its one object in local improvement. Lieutenant-Colonel John Biddle of the Corps of U. S. Engineers came down to inspect the creek with a view of collecting data which will be forwarded to Washington in his recommendation to the River and Harbors Department that an appropriation be made for dredging and deepening the stream.

John Stauffer and his associates, including the Messers Schilling, Chas. Deguigne, Thos. Magee andMr. Lohman, the city's electrical engineer, were here to take the preliminary steps toward establihing the Stauffer refinery and chemical works on the marsh land purchased by the company a year ago, and to arrange for the building of a spur track to deep water. A site was also selected for the terminus of the track, at deep water for shipping purposes.

The party was met by Mayor Geo. A. Merrill, Guy P. Hull, president of the Board of Trade, Trustee Beeger, Edwin B. Fox, Charles Landscheit, Mr. Martin and Will H. Hanson. The visitors were driven in automobiles to Woodside where a good view of the bay and surrounding country was had. After lunch the party was taken out to deep water in launches by Commodore Fox and inspected the creek to the bay. The unusual advantages for factory sites that was presented made a good impression upon the San Franciscians.

A monter mass meeting of the citizens was held last evening when stable resolutions were adopted encouraging manufacturers a to locate in Redwood City,

ENTERTAINERS COMING

Some Special Attractions at the Alhambra Next Week.

The "Players", supporting the well known actor, Mr. Walter H. Newman, will be the attraction at the Alhambra theatre for three nights commencing next Monday. This dramatic organization is under the personal management of S. Terry McKean who has, as usual surrounded his star with an exceptionally clever company, every member of which is thoroughly competent. Most conspicuous in the list of players is Miss Bertha Foltz. This dainty little actress is an artist of unquestionable ability. Miss Foltz is a California girl and is a member of one of the state's most distinguished families Her mother is Mrs. Clara Shortridge Foltz, the well-known woman laywer and she is a niece of Hon. Samuel Shortridge, the famous attorney of San Francisco. The opening play of The players season will be "The Temptation of Lucia" which gives every member of the company an opportunity to appear to advantage. The play is interesting, abounding in thrilling climaxes with just enough comedy and tears to keep the audience "keyed" up to the proper pitch from the first curtain to the last. During the engagement finished performances of "Divorcons" and "The Devil' will be presented. The opening Monday has been designated by Manager McKean as ladies night end every lady in this city can consider herself the guest of The Players on that evening. An invitation ticket will be issued during the week which must be presented at the reserve seat sale at Ryan's drug store not later than 6 p. m. Monday,

He Paid.

A well known actor was leaving a small Illinois town, near which he had spent the summer, for Chicago to attend rehearsals. The actor was driven up to the rural railroad station and deposited on the platform, together with his two trunks. As the train was about to start he approached a stranger near by and said:

"Are you going to Chicago on this train?"

"I am."

"Have you any baggage?"

"No."

"Well, friend, you can do me a favor and it won't cost you a cent. I've got two good sized trunks here, and they always make me pay excess for one. You can get one checked on your ticket and save me some money."

"Yes, but I haven't any ticket."

"But you just said you were going on this train."

"So I am. I'm the conductor."

The actor paid the excess, as usual.

An Awful Liar.

Sir Archibald Geikie, the distinguished geologist, tells a good story in his capital book of "Scottish Reminiscences." "I was quite sure you had been in our neighborhood," a friend said to Sir Archibald. "I met the old farmer of G., who had a strange tale to tell me. 'Dod, Mr. Caithcart,' he began, 'I ran across the queerest body the ither day. As I was coming by the head of the cleugh I thocht I heard a wheen tinkers quarrelin', but whan I lookit doon there was ae wee stoot man. Whiles he was chappin' the rocks wi' a hammer, whiles he was writin' in a book, whiles fechtin' wi' the thorns and misca'in them for a' that was bad. When he cam up frae the burn, him and me had a large confab. Dod, he tell't me a' aboot the stanes and hoo they showed that Scotland was ance like Greenland, smoored in ice. A very enterteenin' body, Mr. Caithcart, but—an awfu', awfu' leear." —London Tit-Bits.

Woman.

Woman, the gentlest of all creatures is apt to become masterful and even tyrannical, this because she is a creature in whose composition emotion dominates, and emotion when highly stimulated becomes passion, and passion spurns all reasonable limitation and becomes tyrannical. Besides, there are women with more than ordinary firm will and persistent purpose. These when winged by the passion which is natural to the sex become intolerant, masterful and more tyrannical than men. Qualification to the intense action of the impassioned soul is treachery, and contradiction is treason. Like a stormy wind, they will have their sweep and ignore all contraries. And from this predominance of the emotional element it seems plain that, though woman may try many things and succeed in most, she is, with her normal outfit, materially incapacitated from being a statesman or a judge.—Daybook of John Stuart Blackie.

The State and the Individual.

The state may make it easy for a man to acquire a small holding, but it cannot give the man the energy, the industry, which are necessary if the boon is to be an abiding blessing to him. The state may help men over bad times, but it cannot give men the moral character which enables those who possess it by their energy, determination, industry, to place themselves beyond the reach of temporary disaster.—London Strand Magazine.

Partly So.

"Confess," he thundered, "you are another's!"

She shivered.

"Partially," she faltered. "This hair"—she pressed her hand to her brow—"and the upper teeth I wear are borrowed; the rest—yours."

Two of a Kind.

Little Johnnie, who is considered the image of his father, was one day in his mother's way, when she told him, "You are always in the way."

He replied, "I am just like papa."—Delineator.

Pretty Loud.

Nell—He's a college boy. Belle—I thought so. Nell—From his conversation? Belle—No, I was too busy listening to his clothes to hear what he had to say.—Exchange.

In the matter of the estate of William C. Havey, deceased.

No. 1256.

(Copy of) ORDER TO SHOW CAUSE ON SALE OF REAL AND PERSONAL PROPERTY.

Annie M. Bullivant, the Administratrix of the estate of Willam C. Havey, deceased having presented to the Judge of the Superior Court of the State of California, in and for the County of San Mateo, and filed herein her petition, duly verified, praying for an order to sell all the personal property, (other than cash) of said estate, and to sell some portion of the real estate of said deceased, for the purposes in said petition set forth;

It is hereby ordered by the Judge of said Court that all persons interested in said estate appear before the said Superior Court on Thursday, May 6, 1909, at 10 o'clock a. m. of said day, at the Court-room of said Superior Court, Odd Fellows' Hall, on Main Street in the Town of Redwood City, San Mateo County, California, to show cause why an order should not be granted to the said Administratrix to sell all the personal property, (other than cash) of said estate, and so much of the real estate of said deceased, at public auction, as shall be necessary, and that a copy of this order be published at least four successive weeks in the "Times-Gazette," a weekly newspaper printed and published in said San Mateo County.

Dated March 29, 1909.

GEO. H. BUCK, Judge of said Superior Court. 4-3-5t

Assessor's Instructions

To Owners of Real Estate and Personal Property.

The law requires each and every person who owns any class of property to annually, during the months of March, April or May, file a statement with the Assessor or his deputy in the county where the property is located. You should give a statement of all property owned by you on the first Monday in March at 12 o'clock m.

If you hold mortgages against others send in a mortgage statement showing amount due on each mortgage on the first Monday in March at 12 o'clock m.

No change can be made by the Assessor after he turns his books over to the Board of Supervisors on the first Monday in July. The Boards then sets as a Board of Equalization during the month of July.

Remember, if you fail to give in your assessment you fail to comply with the law and may cause yourself, the Assessor and Tax Collector much trouble, and very likely cause yourself expense.

It is much more satisfactory to the Assessor, as well as to yourself, to have your assessment correct when you go to pay your taxes.

C. D. HAYWARD,
Assessor, San Mateo County.

REACHING THE SPOT

It Can be Done, So Scores of Redwood Citizens Say

To cure an aching back.
The pains of rheumatism,
The tired-out feelings,
You must reach the spot—get at the cause.

In most cases 'tis the kidneys.

Doan's Kidney Pills are for the kidneys.

Claus Hadler, living at 107 Stambaugh St., Redwood City, Cal., says: "Doan's Kidney Pills proved to be an exceedingly fine remedy in my case. I was subject to pains across my back, and rheumatism which descended into my hips and through my limbs. Doan's Kidney Pills were finally brought to my attention, and thinking they might prove of value to me I procured a box at P. A. Ryan's drug store. From the beneficial results received from their use, I can conscientiously recommend them to other kidney sufferers.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
